

Application for a Permit to Establish a Waste Disposal Ground

EPB 325 Jan/08

File: _____

Information should reflect engineering consultants report.

In accordance with Section 6 of *the Municipal Refuse Management Regulations*, I hereby apply for a Permit to Establish a Waste Disposal Ground.

A. General

Name of Applicant _____
(City Town, Village, Rural Municipality, or Company Name)

Address _____

Postal Code _____ Telephone Number _____

Intended for Use by _____ (X) Applicant, or _____ (X) Joint use (Regional, specify users below)

Site Details:

Legal Description: QTR/LSD _____ SEC _____ TWP _____ RGE _____ W _____ M Parcel _____

Latitude _____ - _____ - _____ Longitude _____ - _____ - _____ Certificate of Title No. _____

Present Owner of Land: _____ (X) Applicant _____ (X) Other (specify below)

Are there existing zoning bylaws affecting this land?

_____ Yes _____ No

Access to Site: _____ existing road

_____ undeveloped road allowance

Does the proposed land use conform to the bylaw?

_____ Yes _____ No

_____ un-surveyed and undeveloped road allowance

Intended Use: _____ Municipal

_____ Commercial

_____ Industrial

_____ Transfer Station

_____ Other _____

Population to be Served _____

Approximate Size of Facility _____ acres / hectares

Present Site of Disposal: SEC _____ TWP _____ RGE _____ W _____

Do you intend to continue use? _____ Yes _____ No

Will Closure be needed? _____ Yes _____ No

Has a partnership in, or establishment of, a Regional Waste Management Authority been considered prior to the development of the proposed waste disposal ground? _____ Yes _____ No

If No, please advise why _____

B. Site Assessment

Site Characteristics:

Is the site subject to flooding? _____ Yes _____ No

Topography: _____ flat _____ moderate slope _____ steep slope

Nature of Surface Soils: _____ Sand _____ Clay _____ Gravel _____ Other (specify below)

Information describing surficial geology and groundwater conditions is attached (NA) _____ Yes _____ No

Land Use:

Describe the present use of proposed site

Describe the land use of properties bordering the site.

North _____ South _____

East _____ West _____

Are any of the following located within 100 meters of the site? (Indicate on Land Use Plan on page 3)

Streets, roads, highways _____ Yes _____ No

Railway _____ Yes _____ No

Cemetery _____ Yes _____ No

Are any of the following located on or within 500 meters of the site?
(Indicate off-site features on Land Use Plan on page 3 and on-site features on Site Development Plan on page 5)

Residence _____ Yes _____ No

Eating establishment _____ Yes _____ No

Hotel / Motel _____ Yes _____ No

Institutional Facilities _____ Yes _____ No

Buried utilities (gas/oil) _____ Yes _____ No

Transmission lines _____ Yes _____ No

Buried Cable -- telephone _____ Yes _____ No

-- power _____ Yes _____ No

Are there any of the following located within 1000 meters (1 km) of the site?
(Indicate off-site features on Land Use Plan on page 3 and on-site features on Site Development Plan on page 5)

Lakes _____ Yes _____ No Dugouts _____ Yes _____ No

River _____ Yes _____ No Irrigation Works _____ Yes _____ No

Streams _____ Yes _____ No Sloughs _____ Yes _____ No

Wells _____ Yes _____ No Reservoirs _____ Yes _____ No

Historic Sites _____ Yes _____ No Recreational Sites _____ Yes _____ No

Designated Wildlife Habitat _____ Yes _____ No

Archaeological Site _____ Yes _____ No

Ecological Reserve _____ Yes _____ No

Land Use Plan

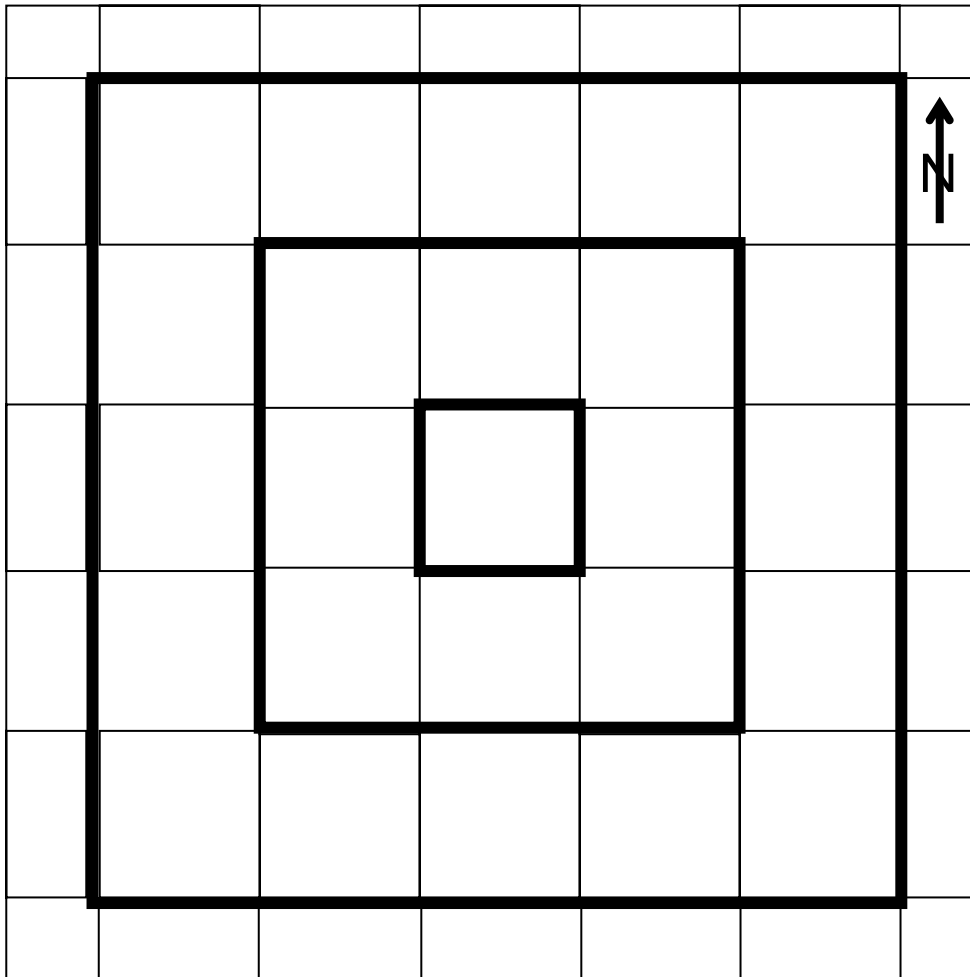

Legal Description of Site: QTR/LSD _____ SEC _____ TWP _____ RGE _____ W _____ M

Latitude _____ - _____ - _____ Longitude _____ - _____ - _____

Note: Centre square (heavy border) represents a legal subdivision (40 acres)
 Middle square (heavy border) represents area within approximately 500 meters of site
 Outer square (heavy border) represents area within approximately 1000 meters of site

1. Sketch boundary of proposed site on centre square.
2. Indicate land use with the appropriate symbol:

Residence	<input type="checkbox"/>	Water Well	○
Eating Establishment	△	Dugout	▭
Hotel/Motel	⬆	Slough	▭ with diagonal lines
Institutional Building	⌈ I ⌋	Irrigation Works	▭ with lines extending outwards
Underground Pipeline	- - - - -	Reservoir	▭ with R
Transmission Line	- · · · -	Historic Site	Ⓜ
Underground Cable	- · - · -	Designated Wildlife Habitat	Ⓜ
Lake		Archaeological Site	Ⓜ
River, Stream		Ecological Reserve	Ⓜ

C. Proposed Design

Describe and indicate the following on the Site Development Plan on page 5.

All-weather access road. _____

Perimeter fence material, installed length and height. _____

Drainage direction: existing or proposed drainage diversion works, their design and location. _____

Areas for special waste and waste types. _____

Proposed or existing structures and facilities. _____

Existing or proposed visual buffer. _____

Other improvements. _____

Existing or proposed stations for monitoring of air, land, and water. _____

I certify that the information contained in this application is true, complete and accurate.
